

Fortunare Nos

Anthem for SATBrBB

by

Peter Tranchell

[1986]

Fortunare nos discessuros, Deus Domine, precamur ut tibi placeat. Gratias accipe praeteritis pro bonis quae dedisti nobis. Omni da veniam confesso delicta sua. Tempus recuperent quodcumque perditum, nec post hac spiritum tuum angant, liberi tui.

1. Lord, dismiss us with thy blessing,
Thanks for mercies past receive;
Pardon all, their faults confessing;
Time that's lost may all retrieve;
May thy children
Ne'er again thy Spirit grieve.
2. Bless thou all our days of leisure;
Help us selfish lures to flee;
Sanctify our every pleasure;
Pure and blameless may it be;
May our gladness
Draw us evermore to thee.

3. By thy kindly influence cherish
All the good we here have gained;
May all taint of evil perish
By thy mightier power restrained;
Seek we ever
Knowledge pure and love unfeigned.
4. Let thy Father-hand be shielding
All who here shall meet no more;
May their seed-time past be yielding
Year by year a richer store;
Those returning,
Make more faithful than before.

from a hymn by Henry J. Buckoll (1803-71)
in *Psalms and Hymns for Rugby School Chapel*, 1850

The Latin words are a translation, presumably by Tranchell,
of Verse 1
